Q. I am currently receiving Flex Cash instead of benefits @ SFSU. I need to sign up for benefits this Open Enrollment. What forms do I need?

First, you will need to cancel your Flex Cash benefit. To do this, please fill out the Flex Cash Enrollment form as a cancellation. Next you will need the enrollment forms for Health and/or Dental plans. Please submit all forms together along with any supporting documentation to the Human Resources office.

Q. I want to enroll in an HMO plan. Do I select a primary care physician (PCP) or medical group?

When you enroll in, or change health plans to an HMO, you may have to select a new primary care provider (PCP) or medical group. Each family member may choose a different PCP and medical group. Each health plan's provider directory lists available PCPs and their specialties. Make sure the PCP you want will take you as a patient before selecting your health plan. Indicate your PCP selection on your Health Benefit Enrollment form.

If you do not select a PCP, the health plan will assign a PCP to you and each family member. PPO health plans do not require the selection of a PCP.

Q. Where do I find Open Enrollment Forms?

Forms for all Open Enrollment requests can be found on the Human Resources website under OE 2015 Information
