Join us for info-sharing sessions about the phased return-to-campus this Summer/Fall. Share your ideas for a successful return. Panelists include: Gene Chelberg of Student Affairs, Frank Fasano of Facilities, Jay Orendorff of Business Operations, Jesus Garcia of Administration, Michael Scott of ORSP and Ingrid Williams of Human Resources. Bring your ideas, questions, concerns. Sessions offered in June, July and August as we prepare for welcoming students back to campus.
