

Join your SFSU Retirement Association!

Now that you have retired from working at San Francisco State, you have the opportunity to join your friends, and keep in contact with all the activities going on at the University.

The SFSU Retirement Association is a group of over 300 staff, faculty and administrators who keep in touch with their work-related friends and the University by:

- **Joining other campus-related groups for lectures, demonstrations, and travel opportunities;**
- **Enjoying two holiday lunches each year at Thanksgiving and during Spring Break;**
- **Going on field trips to exciting destinations in the Bay Area, such as Coit Tower, museums, art galleries, parks and other attractions;**
- **Sponsoring travel grants to newer faculty and staff to enable them to attend conferences and conduct research;**
- **Sharing a bi-monthly newsletter to keep us current on member activities;**
- **Your first year is free from dues!**
