Reports

- 4) Chair's Report – meeting dates/reminders. Today we have a virtual meeting regarding Title IX and Dylan sent a calendar invite meeting today at 1. There is another specific meeting for all staff, February 14 at 11am, look at Campus Memo. UBC is on Feb. 23 and office hours is on Feb. 24. Pres. Mahoney and Jeff Wilson will meet with us on March 10, from 9-10. Staff Council is scheduled to meet with the WASC group in person on Thursday April 6, from 11:15 to noon.

- 5) University Reports

Jamil asked the group if anyone attended the Chancellor's townhall and wondered what they thought? There was confusion about folks getting called on to speak but Tony was ready even though he didn't know he was going to get called on. He was looking for some standards CSU-wide because there are a lot of inconsistencies. Ingrid thought it was good but a little dismayed that they didn't allow any kind of Q&A on the job. Caroline sent them an email that she didn't want to be called on. There were a lot of students and that was insightful.

- 6) Presentation – 10:00AM –

Anoshua Chaudhuri, presenting on Needs Assessment of Staff and Faculty Housing Assistance. She and Sheldon Gen came to SFSU in 2003. They started the survey in early 2022 and want to share results and updates and share initiatives that are being worked on.
