ONE WOMAN
CAN MAKE A DIFFERENCE,
BUT TOGETHER
WE CAN CHANGE
THE WORLD

See yourself here!

This is the first in a series of events to inspire all women at SF State. Dr. Lynn Mahoney and panelists will share their career journey including biases and barriers faced, how they mentor others and how they hold the door open for the next woman. Join us as we discuss pathways for the development of growth, mentorship and leadership opportunities.

This is a women-focused event, inclusive of trans women and those who are non-binary, gender non-conforming, and anyone who identifies as a woman in a way that is significant to them or is an ally.
